

TouchIT PCAP Series

The PCAP Series from TouchIT Technologies incorporates the latest in Projective Capacitive Touch Technology creating a totally flat "tablet-like" touch surface in ultra-high 4K resolution.

"PC-Free" operation thanks to the onboard Android operating system makes for a true plug and play experience. Annotate, take notes, save - all without having to connect a computer to the LED.

The TouchIT PCAP Series comes with its own App Store so you can install on the onboard operating system only the Apps that you want. All Apps available in the TouchIT Store are Free of charge and have been tested for compatibility and suitability on the large format LED.

Available in 4 UHD sizes, 55", 65", 75" and 85"

-  15 point touch
-  Anti glare glass
-  Totally Flat Surface
-  Front control & input buttons
-  Integrated speakers 2 x 10W
-  On Board Android
