What You Should Do if You Experience an Issue

Unless otherwise designated in writing by TouchIT Technologies, TouchIT Technologies is the only party authorized to perform warranty service on TouchIT Technologies Hardware Products. Upon experiencing an issue, please contact TouchIT Technologies via TouchIT Technologies' Online Support Center or contact the Technical Support Center for your country – which is the master distribution partner.

If TouchIT Technologies is not able to obtain entitlement information through the registration process, you will be asked to provide the following information when requesting warranty service: your name, address, and contact information; serial number; a description of your Hardware Product and system configuration; a description of the issue; You may be required to provide proof of purchase and/or proof of the installation date of your Hardware Product prior to receiving warranty service.

What TouchIT Technologies Will Do in the Event of an Issue

TouchIT Technologies will make commercially reasonable efforts to return your initial telephone or internet request for warranty service within twenty four (24) hours.

In the event that: (i) TouchIT Technologies determines that your issue can be addressed by shipping a replacement part to you for installation in your Hardware Product (a "Customer Replaceable Unit" or "CRU"), TouchIT Technologies will ship a replacement part to your site ("Replacement CRU"). TouchIT Technologies will use commercially reasonable efforts to send a Replacement CRU in a commercially reasonable timeframe. You are responsible for ensuring that the malfunctioning part or Hardware Product being replaced ("Malfunctioning Hardware") is returned to TouchIT Technologies in accordance with all TouchIT Technologies shipping or courier instructions. You agree to pay the published list price of any Replacement CRU in the event that you fail to return the corresponding Malfunctioning Hardware. TouchIT Technologies may withhold shipment of your Replacement CRU until TouchIT Technologies has received the Malfunctioning Hardware at a TouchIT Technologies-designated return center or may require that you provide a valid credit card or purchase order number to secure the return of Malfunctioning Hardware. You are responsible for shipping costs and bear the risk of loss associated with returning your Malfunctioning Hardware to TouchIT Technologies. Replacement CRUs will be of new or like-new quality. Title in all Malfunctioning Hardware shall transfer back to TouchIT Technologies upon removal from your system. Replacement CRUs assume the warranty status of the Hardware Product into which they are installed and have no separate or independent warranty of any kind.

In the event that a firmware or software update or upgrade is required in order to address your issue, TouchIT Technologies will provide you with instructions for obtaining the update or upgrade, which may include agreement to additional licensing terms. Unless otherwise designated in writing, you are responsible for performing all necessary updates or upgrades.

Limitations
